

Guidelines for Receiving Continuing Education Unit Credits Generations United’s 2019 Global Intergenerational Conference

Generations United’s Global Intergenerational Conference is designed to provide attendees with extensive information about intergenerational programs, practice, policies, research, and evaluation. During the conference, attendees have numerous opportunities to engage in various educational sessions – pre-conferences, site visits, workshops, keynote sessions, peer groups, roundtables and poster sessions.

Conference attendees are eligible to receive up to 4 Continuing Education Units (CEUs) from Pennsylvania State University. CEUs have been designed to give recognition to persons continuing their education and keeping up-to-date in their chosen fields or professions.
